# CHAPTER 1

Eight-year-old Emma  
Jacks had a secret. She  
was Agent EJ10, learning  
to be a spy at the **SHINE**  
Spy School.

Being a spy was fun but it was top-secret work. Emma couldn't tell anyone. She wished she could tell her best friends, Hannah and Elle. They'd think it was cool. But Emma knew that being a spy must be kept secret.

One day EJ10 was at

**SHINE.** She was in her training gear waiting at a shiny steel door.

EJ's spy watch beeped. She looked at the screen.

EJ brought her watch to her mouth and whispered, 'Emma Jacks'.

EJ's watch beeped again. She read the new message on the screen.

Agent check OK

EJ heard the shiny door click. Then it swung open.

Two ladies in white coats stood inside the room. One of them was AI, head of **SHINE**.

‘Welcome to the SHINE lab, EJ10,’ said A1.  
‘This is Professor IQ400.  
She is in charge of our lab.  
This is where we make spy  
tools to help our agents  
on missions.’

‘What kind of spy  
tools?’ asked EJ.

‘Come see,’ said IQ400.

Professor IQ400  
picked up a remote  
control. She pushed the  
ON button and wiggled  
a bar. EJ heard a strange  
noise from the other side  
of the lab.

***Whrrrrrr!***  
***Whrrrrrr!***

EJ looked up and saw  
a tiny plane. It was flying  
over to the bench in front  
of them.

The plane hovered  
above their heads. Then it  
dropped a pink lunchbox  
onto the bench. EJ read  
the label. 'It has my name  
on it!' Emma cried.

EJ couldn't wait to  
open it.

## 2

EJ stood at the bench in  
the lab. She was looking  
closely at the lunchbox.  
She knew it was not a  
normal lunchbox.
